**PetCare Pet Insurance and the 24PetWatch Microchip & Pet Recovery Network complement one another to the benefit of pets, pet owners and veterinary clinics alike.**

Lower cost microchip technology for clinics, a registry that matches each microchip to pet owner and pet information, and easy access to comprehensive major medical insurance coverage for pet owners. More importantly, clinics that have switched to the 24PetWatch program have seen up to 25% more clients with insured pets\*, increasing the level of care those pet owners can afford.

- Non-ISO (FDXA) microchips available for as low as \$4.95 each
- 10 digit alpha numeric code can be read by existing reader base
- Free registration for all microchipped pets from clinics that switch to the 24PetWatch program
- No charge transfer of ownership
- 24/7 365 day call center support

- Second largest pet insurance provider in North America with over **115,000** paid policies in force as of March 2004
- No restrictive schedule of benefits
- Higher payout on most major medical claims for cats and dogs
- Payable claims processed within 5 business days
- Low, fixed deductibles and no co-pay on most programs
- 5% discount on all programs for pets registered with 24PetWatch

**Stop overpaying for your microchip technology! Call today to switch to the 24PetWatch program.**

**EmergencyCare protection also available. Visit the website for more details.**
